

# The Morning Etude Federated Music Club St. Louis Missouri

## Membership Application

The Morning Etude Federated Music Club was established in 1896 to promote and study music with like-minded friends. Our members are people who just really love music. We are part of the National Federation of Music Clubs and are a member of the Missouri Federated Music Clubs. As a Senior Club we meet twice monthly for musical programs and informative talks by members and guests. Our diverse group also offers social events such as meals or trips to other musical performances. We welcome both performing and non-performing members.

In the spring we sponsor a Young Musician Competition for music students aged 14-19 which offers cash awards to 1st, 2nd & 3rd place winners in voice, piano or strings. We also support a music center in Eureka Springs AR, Opera In The Ozarks at Inspiration Point, which offers summer programs for aspiring opera singers. Alumni of that program have gone on to perform in major opera companies around the world.

If you would like to become a member of The Morning Etude, we welcome you. Please fill out this form and return it to the address shown.
